Introduction

Mayor Anton Reißner

Since about 2 decades, the municipality of Kleinlobming is operating the ski lift with success. Numerous ski races were carried out on the „Arnbauerhang“. The FIS-Days from 17th to 18th of January 2013 are the highlight for our community. We're wishing success to all participants and of course accident-free skiing. We wish all our guests an exciting race in a relaxed atmosphere in our tourist area Aichfeld.

Head of Ski-Section Ing. Karl-Heinz Hammerlindl

1946 - in this year, the ESV Knittelfeld, Section Ski, was founded. After lots of regional organized ski races and 65 uninterrupted club championships, we will first organize an international race. With a perfect time and a perfect team—we are ready to rumble! The ESV Knittelfeld with his engaged crew is welcoming the FIS slalom elite in Kleinlobming.
